
VRchaeology: Prologue Full Crack [hack]

Download ->>>>>> <http://bit.ly/2ND8ijt>

About This Game

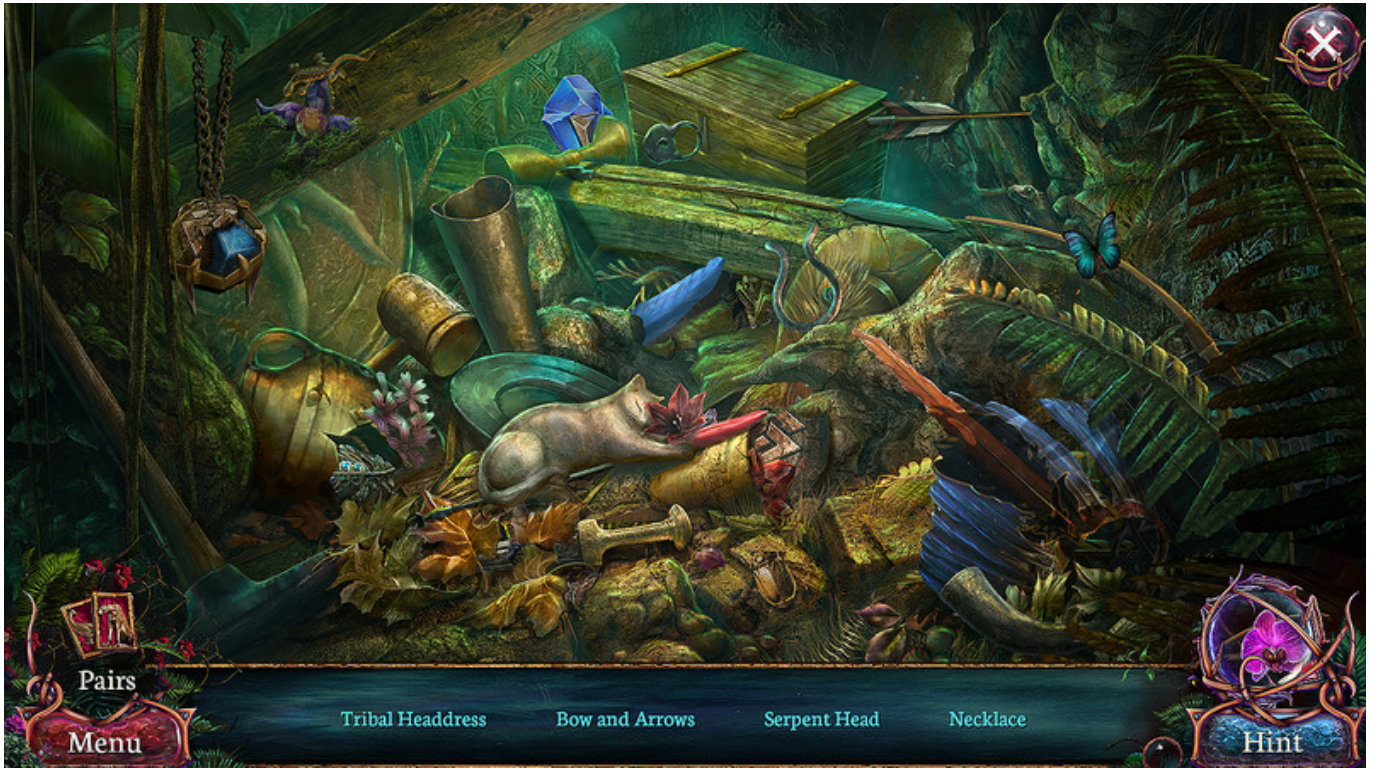

Equipped with your archaeological tools and a bit of TNT, you're on the hunt for treasure: bones, gold... anything that'll pay. In the distance, you make out the entrance to some sort of abandoned mine. Will this be the road to riches, or your doom?

This brief (~10 min) experience serves as the prologue to the VRchaeology episodic series.
